Safety Information

All assembly fixings should be tightened properly and care should be taken that no fittings are loose. Regular tightening of the bolts is recommended to extend the lifespan of the product. Please follow all the instructions when assembling the product and do not use power tools when building.

Warning: The product should not be used if any structural part is broken or missing. If any part is missing or broken report it and we will replace, do not attempt to fix the item or purchase additional parts not included with the product; this will invalidate the warranty.

Return Information

If you have any problems with the item just email us at info@noaandnani.co.uk and we can resolve it for you, our technical team will be able to assist in helping. If you have any parts that are damaged we can replace them for you. If you do need to return the item for some reason just email and request an RMA number.

Assembly Information

We understand that self assembly furniture can be a pain but we try and make it as easy as possible for anyone to build, if you have found a problem with the assembly of the product or with the assembly instructions or you have comments on how we would improve them, we would love to hear from you. Just contact us either by email at productadvice@noaandnani.co.uk or via Live Chat on our website noaandnani.co.uk
