MINNA BUNK BED ASSEMBLY INSTRUCTIONS

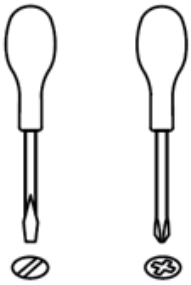

WARNING

DO NOT USE POWERTOOLS TO ASSEMBLE THIS PRODUCT

Tools Required

CAUTION: Do not use tools other than those required, as this can damage your new item.

NOTE

- Please check you have all hardware before assembling.
- If you are missing any hardware, please contact the store of purchase.
- Please ensure you have the name of the item, required hardware part and quantity.
- Please retain your receipt as proof of purchase to validate your warranty.

CAUTION

- Do not tighten screws before all screws are in the right place.
- Do not use this product unless all bolts, screws and knobs are firmly secured.
- Check that all bolts, screws and knobs are securely tightened at least every 4 months.

WARNING

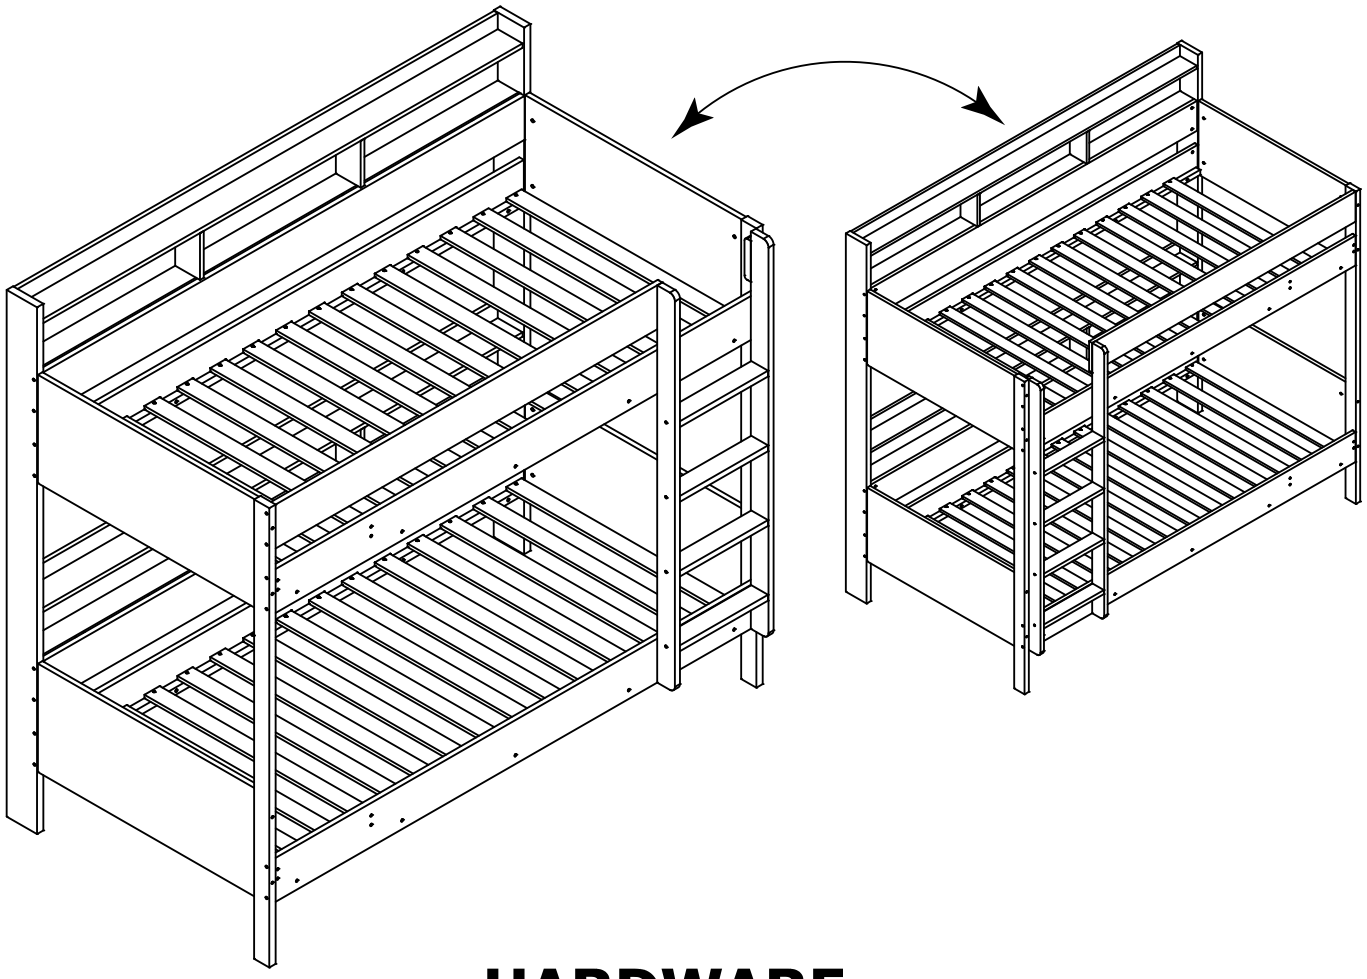

- If parts are missing, broken, damaged or worn stop using the product until all repairs are made using manufacturer authorised parts.
- Failure to follow these warnings could result in serious injury.

DANGER

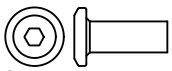

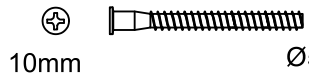

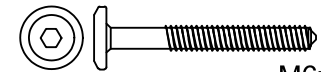

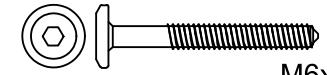

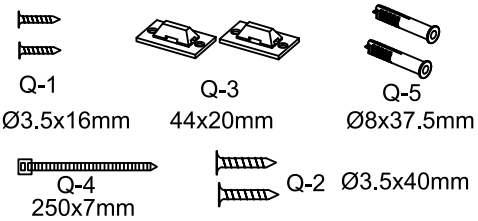

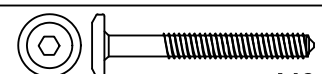

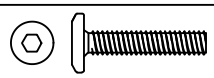

- CHILDREN MUST BE SUPERVISED.

Safety Information

All assembly fixings should be tightened properly and care should be taken that no fittings are loose. Regular tightening of the bolts is recommended to extend the lifespan of the product. Please follow all the instructions when assembling the product and do not use power tools when building.

Warning: The product should not be used if any structural part is broken or missing. If any part is missing or broken report it and we will replace, do not attempt to fix the item or purchase additional parts not included with the bed; this will invalidate the warranty.

Warning: Children can strangle in items such as ropes, strings, cords, harnesses and belts attached to or hung on a bunk bed. Do not attach any such items to the product to prevent risk of serious injury.

Warning: High Beds and the upper bed of Bunk Beds are not suitable for children under 6-years due to the risk of injury from falls.

Product Conformity

This product conforms to European Safety Standards - BS: EN747-1&2: 2024 Specification for Bunk Beds & High Beds.

Mattress Requirements

Maximum thickness of mattress: 16cm, the max mattress thickness must not be over the maximum mattress thickness marking marked on the upper bed. Recommended size of the mattress: Length 190cm *Width 90cm *Depth 16 cm.

Return Information

If you have any problems with the item just email us at info@noaandnani.co.uk and we can resolve it for you, our technical team will be able to assist in helping. If you have any parts that are damaged we can replace them for you. If you do need to return the item for some reason just email and request an RMA number .

Assembly Information

We understand that self assembly furniture can be a pain but we try and make it as easy as possible for anyone to build, if you have found a problem with the assembly of the product or with the assembly instructions or you have comments on how we could improve them, we would love to hear from you. Just contact us either by email at productadvice@noaandnani.co.uk or via Live Chat on our website noaandnani.co.uk
